On October 27, 2002 Feelin' Groovy, a true champion who spent his lifetime in the horse show world, passed away. In his honor, we have established this memorial award. To be eligible for this award, the horse needs to have competed in TVHSA-sanctioned horse shows in the past or present. This horse does not need to have won many awards, he just needs to be one who has done his job well, and who best exemplifies a lifetime given to the sport we all love.

The TVHSA Board of Directors will review all submissions, and the award will be presented at our annual Awards Banquet.

Please submit the completed form by December 31, 2011, by email to info@tvhsa.com or by regular mail to:
